

## Highlights from Caldwell ISD Board meeting – March 27, 2017

The Board met last night in a regularly scheduled meeting. Here is the highlight of the meeting.

1. The Board recognized Coach Jolly and the Middle School “Big Event.” Check out the website, [www.caldwellbigevent.weebly.com](http://www.caldwellbigevent.weebly.com)
2. The Board recognized Mrs. Lazo and her high school students that participated in BPA this year. Congratulations on their success.
3. Mr. Peters shared with the Board the current enrollment trends for CISD. We have a lot of moving in and out, but we remain flat in enrollment at 1746.
4. Peters told the Board that the administration office gathered input from all principals and directors on their proposed budgets, including the needs, wants and wishes. It has been a long time since the staff has gone through this exercise. Now the concern is how to fund and/or prioritize. At this time the budget is short \$895,000 against projected revenues. We are still waiting to see what the state legislature is going to do with state funds. May not know until June.

### In Action Items

1. Approved a contract with Owners Building Resource, LLC, to provide strategic facility planning for the district. Surveys will be going out to staff in the next few weeks.
2. April 6 was set to hear some grievances.
3. The Board approved a newly printed Local Policy manual. All the policies had been previously approved.
4. Various budget amendments and tax resale deeds were passed. The tax refunds were not approved.
5. The board approved the contracts for teachers that were presented. The board approved the DAEP/ACE administrator’s contract and the contract for the new assist. Superintendent, and a new special ed teacher, Kelly Dorman.

The Minutes will be posted online once they are approved.

Next Board Meeting will be April 6 for a special called agenda. The regular board meeting will be Monday, April 24, 2017.
